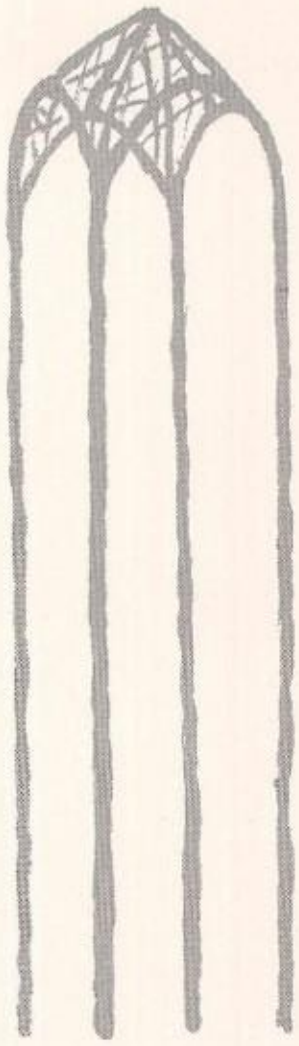
The Tornado of 1962

Published by the Annual Staff

Yelm High School

Yelm, Washington

Foreword



Man seeks the future. In 20 prior centuries, his genius probed the unknown--discovering at an ever-quickening pace the new . . . the wondrous. In our time, his achievements appear daily . . . the magnitude of science touches the heights of imagination.

This World's Fair seeks not to recount accomplishments, but rather to search out promises of the new age . . . the years ahead . . . the miles above.

This yearbook, however, seeks to recount the living present, the accomplishments of the students of Yelm High School during 1961-62 school year, which will open the door to that fabulous world of tomorrow.

Dedication

"Stand by for announcements" is the message which greets the students over the inter-com each morning from the principal, Robert Olson.

His official day may begin at 8 a.m. with a teachers' meeting and end with a school dance at 11:30 p.m. This day could involve counseling students, working with the student body officers and council, scheduling classes and activities, attending the games, and handling the numerous details that may arise each day.

This has been Mr. Olson's daily routine since he joined the Yelm Staff as principal four years ago, when the class of 1962 was Freshmen.

For his untiring efforts, understanding, and guidance, the Class of 1962 dedicates this yearbook to Mr. Robert Olson with deep gratitude and sincere appreciation.

Senior Class History

by Brent & Barry Warwick

Three-two-one blast off! Our educational rocket was launched in September 1958. Guiding our ship into the future that year were President Ron Lawton, Vice President Tena Schroder, Secretary Mitzi Phillips, and Sergeant at Arms Richard Coulter. The theme of our first class dance was "It's All in the Game." We remember as high points that year our Freshman Initiation and those gruesome semester tests.

The first stage of our rocket was dropped and we went on with the greater power from our second stage. Our chief astronaut was again Ron Lawton, with Tena Schroder, vice president; Lois Montgomery, secretary; and Dan Rutledge, sergeant at arms. Our class dance theme was "Puppy Love." Six members of our class were initiated into the National Honor Society. There were: Lois Montgomery, George Carle, Chris Scott, Barry Warwick, Brent Warwick, and Suzanne Wilcox.

With our second stage now behind us, we again to pilot us Ron Lawton; with Dale Norman, vice president; Lois Montgomery again handling the flight records, and Steve Welch keeping order on our ship. Our Junior Prom was entitled "Loveliest Night of the year" and had outstanding decorations. Many honors were bestowed on our class this year. Brent and Barry Warwick won an expense paid two-week trip to Waterloo, Iowa, as members of the Future Farmers of America State Dairy Cattle Judging Team. Brent was also elected to the District Presidency of the Future Farmers of America. Lois Montgomery was elected Girls League "Girl of the Year," and Jerry Suzawith received the Boys Club award. George Carle and Karen Lynne honored our class when they received the coveted Best Citizens awards. George Carle and Bill Simons were our representative to Boys' State and Tena Schroder and Suzanne Wilcox represented our school at the Waskowitz Leadership Conference.

Senior Personalities

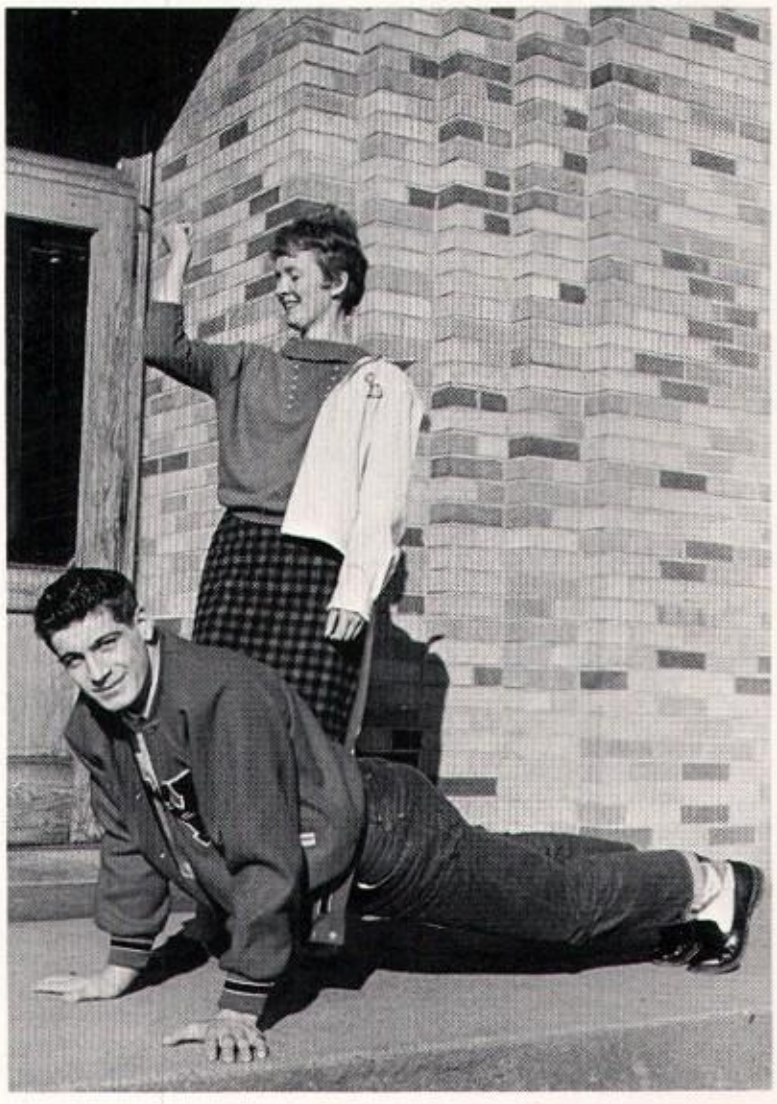
BEST SENSE OF HUMOR: Anneke Gerlings, Mike Edwards.

MOST COURTEOUS: Ron Lawton, Karen Lynne.

MOST TALENTED: Tena Schroder, Brent Warwick.

Contributed Most to the School: Lois Montgomery, Steve Welch.

Best Personality: Lorna Raab, Jerry Suzawith.



Most Athletic: George Stark, Dirinda Eide.

And now we are in the last stage of our rocket ship about to land from our long journey. At the controls again is Ron Lawton. Assisting him is Brent Warwick, and keeping the flight records for the third year is Lois Montgomery. Dale Norman and Dale Armstrong are maintaining order on our ship this year. Our Senior Ball was "Winter Wonderland." Honors received by members of our class were: Lois Montgomery, the Daughter of American Revolution Award; Linda Reichel, the Betty Crocker Homemaking Award; and Betty Nelson, the State Vice Presidency for the Future Homemakers of America. Barry Warwick was also elected District Vice President of the Future Farmers of America.

On May 25, 1962, our rocket ship landed, and we received diplomas for a successful trip. Eleven graduated with honors: George Carle, Karen Lynne, Roger Matthews, Lois Montgomery, Betty Nelson, Teddi Otto, Tena Schroder, Chris Scott, Barry Warwick, Brent Warwick, Suzanne Wilcox.

This four year trip into our local atmosphere has broadened our knowledge extensively, but the learning which lies ahead of us is as infinite as the universe. Our motto is "The world is full of wonders just waiting for our minds to improve," so it is up to each of us to launch our own missle for the future and aim for our star of success.

Freshman Class

Freshmen became official members of the student body when they were initiated on September 22. The highlight of the day was a program made up of group skits resembling television programs complete with commercials. Some of the skits were: "This is Your Life," "Beat the Clock," and "King (Queen) For a Day." A dance given that evening honoring the Freshmen climaxed the event.

Deadlene in two days! Pat and Don's pictures still aren't here! Copy to be written!

This was a typical situation which faced the annual staff in the preparation of the 1962 yearbook.

The hustle and bustle seldom stopped, but with the help of the entire senior class, the junior representatives, and Miss Fairbanks, who advised us on layouts, copy and pictures, the Tornado was finally completed.

Also, a special thanks should be given to Brent and Barry Warwick who wrote senior copy and to Dirinda Eide who helped do last-minute typing.

Basketball

With the advent of a new coach with a different system, the Tornados started the basketball season slowly. The first four league games played were lost by a total of fifteen points. As the year progressed, the boys began to function as a team and to win. They ended the season on a much higher level than had been predicted. The Tornados had been rated to finish dead last in the Central League, but spoiled the predictors by finishing in the middle of the league standing.
